STIPULATION AND ORDER

New Reflections Plastic Surgery (“Plaintiff”) and Reflections Center for Skin and Body, PC (“Defendant”), (collectively “The Parties”), by and through their respective counsel, stipulate to extend the close of fact discovery. Plaintiff and Defendant have each served a subpoena on third-party witnesses and additional time is needed to schedule those depositions. Fact discovery was previously extended once and is currently scheduled to close on November 30, 2017. Therefore, The Parties respectfully request a second extension of fact discovery to January 31, 2017 so that The Parties may each complete the depositions under their respective subpoenas. The Parties thank the Court in advance for its courtesy and remain available for the telephonic status conference currently

scheduled for December 6, 2017, should the Court wish to proceed with that previously scheduled conference.
